

REVOLUTIONARY RESILIENCE & SELF-REGULATION FOR EDUCATORS, PROVIDERS & YOUTH THEY SERVE

Proven Proactive Wellness & Coherence Practices for Educators and Providers Serving Youth with Impacts of Trauma, Neurodiversity, Attachment Issues or Chronic Challenging Behavior

Date & Time To Be Determined by Your Agency

TRADITIONAL APPROACHES ARE INSUFFICIENT TO EQUIP EDUCATORS & PROVIDERS TO MANAGE THE STRESSORS AND DEMANDS FACED IN TODAY'S SCHOOL & TREATMENT ENVIRONMENTS...

Who should attend?

- Teachers, Administrators, Assistants, Office Staff
- Clinicians, Supervisors, Front Line/Direct Care Staff

What makes this training so valuable?

- ✓ Traditional approaches to “stress reduction” & “resilience” have often been insufficient to:
 - Address emotional, physiological, and cognitive demands and depletion that occur for staff in serving roles
 - Prepare staff to maintain mental clarity, good decision-making & personal regulation under challenging circumstances
- ✓ Based in the most current research on resilience, coherence & energy management, this training is designed to provide:
 - Actionable, simple, and time-sensitive strategies that...
 - Can be done by every educator/mental health provider, and...
 - Can be supported on a school-, district-, or agency-wide level
- ✓ Strategies proven to result in effective, durable outcomes for youth with: ADHD, Anxiety, Depression, ASD, Trauma, Addiction & more
