

# I'm a Teacher, NOT a Therapist!

**Decreasing Overwhelm & Empowering Educators in Their Appropriate Role in Serving Students with Impacts of Trauma, Neurodivergence & Other Causes of Challenging Behavior**

**Advanced Certified Trauma & Resilience Practitioners:**

**Rick Bowman, M.A., Clinical Psychology, CTRP-Clinical®**

**Doris Bowman, M.S., Education/Spec Ed, ACTRP-Education & Clinical®**

**MONTH 00, 2025 ~ 0:00 - 0:00 CST  
LOCATION OR VIRTUAL**

**Continuing Education: Certificate for 7 PDUs**

## **QUESTIONS:**

[team@bowmanconsultgroup.com](mailto:team@bowmanconsultgroup.com)

## **What will I learn?**

- Clarity** regarding the difference between roles, approaches, limitations & opportunities of educators & mental health staff in serving trauma-impacted students
- Next level dive** into what neuroscience and other related fields show us about how to impact the nervous system, brain and body impacted by trauma for improved regulation, development & learning
- Examination** of powerful ways in which thoughtfully designed educational practices can have a truly therapeutic impact on the brain & nervous system of a child with trauma impacts, resulting in behavioral growth and access to a brain that's capable of learning
- Application** - How to incorporate actionable strategies & practices into the educational day that will have ongoing impact for students **without demanding more time & work from staff**
